

Montsinger Entertainment

About Us

Montsinger Entertainment LLC was founded in early 2013 to assist festival, hotel, resort and private party clientele in the state of Virginia with planning entertainment for their special events. We represent the full spectrum of entertainers from specialty acts like jugglers, children's amusement, impressionists, comedians, magicians, and motivational speakers to musical acts of every size and genre (soloists, duos, trios, quartets, full variety & show bands).

M.E. is a family run business and is headed by three key members-- Shannon Montsinger, Beverly Montsinger, and Lawson "Buzz" Montsinger. Shannon graduated from JMU in 1991 with a degree in Mass Communications and has over 20 years experience in the music industry in the various roles of Promotions Assistant, Account Service, Marketing Director and Entertainment Agent. Beverly has over 40 years in the marketing & sales industry working for several major hotels (The Omni, The Jefferson Hotel) as well as several regional magazines (64 magazine, Virginia Living, Boomer Magazine). Buzz graduated from University of Richmond in 1971, upon which he was drafted into the NFL for a brief stint to play for the Dallas Cowboys. After that thrilling opportunity, he got involved in the music business and has enjoyed a lifelong career as a well known and well-travelled rhythm & blues saxophone player for some of the nation's best.

We pride ourselves on providing excellent customer service with a personal touch, having an incredible knack for making just the right connections for people and on having an overall "joy" and zest for living life to the fullest. We love music, we love entertaining and we love when people have a good time-- especially when we've had something to do with it!

Bring us your event-- large or small-- and let us help you find the perfect elements that will bring it to life. We specialize in smaller, more intimate affairs and can provide help with not only the musical or talent portion of the event but also the decor and overall ambience of the affair. We love being able to "think outside the box" to help you create a unique experience.

Let **M.E.** help **YOU** pull off an event to remember!
